

PROFILE

Passionate actor born & brought up in Bangalore, India pursuing acting along with multiple careers in Sports & Print Media.

An avid Sportsman since childhood & an All-India University Medalist in Cricket, I have always had the hunger to learn new skills and pursuing it professionally.

Since my young days I was always fascinated about performance art and its impact on society.

A firm believer in destiny & God's plan, my ACTING career happened in 2019 when I auditioned for KGF Chapter 2 and got my first break. Later I decided to take up acting professionally & did my certification in acting from one of the top Acting Institute in Mumbai, India and pursuing my acting career.

Eager to learning opportunities and performing for different Directors in future acting projects.
